

YO VHF/UHF Full Days of Summer

Contest name: YO VHF/UHF Full Days of Summer - International contest

Participation: International

Organizer: Arad County Radio club

Contest date/time: In the last week of July, Saturday 14.00 UTC to Sunday 14.00 UTC.

Bands/working mode: 144, 432, 1296 MHz. CW, SSB, FM, mixed in the band segments given by the IARU Region 1 band plan:

144.050-144.150 MHz CW; 144.150-144.400 MHz SSB; 145.200-145.600 MHz FM.

432.050-432.150 MHz CW; 432.150-432.500 MHz SSB; 432.500-432.800 MHz FM.

1296.050-1296.150 MHz CW; 1296.150-1296.500 MHz SSB; 1296.500-1296.800 MHz FM.

The frequencies for DX, MS, EME a.s.o. will be avoided.

Participant categories: A. individual; B. Club stations (minimum 2 operators).

Controls: RS(T) + QSO number (separate serials per band starting with 001)+ WW QTH locator.

Every station can be contacted once per band.

Score: 144 MHz km = 1 point; 432 MHz 1km = 5 points; 1296 MHz 1km = 10 points.

Note: For each connection must be completed all data. For each band will be prepared a separate sheet, the summary will be used writing station type, power, antennas, comments on the propagation.

Reports will be made for each band separately.

Participants can work on a band or more. Classification will be made for each band separately.

For international competitors we need a minimum one YO QSO.

Prizes:

For each band separately:

1st place – Diploma

2nd place – Diploma

3rd place – Diploma

Up to the 10th place – diplomas.

First RO stations – I, II, III – Diploma

1st place CUP
