

To W1AW / KL7.

[ Pse excuse my “ short “ english language .]

Dear om 's,

One yeare ago, on 6<sup>th</sup> August 2008 at 11.00 am [local time] we, Nora – YO4AYL and Andrew – YO4AUP, arrived on the Arctic circle, coming from Proudhoe Bay. As you can see in the attached few picture, in the parkig at the Arctic Circle, nothing indicate the QRA of the W1AW/KL7 station.

After tree qarter hour, our motorcoach started to south, to Fairbanks where we had schedule an fly to Fort Youkon. After few hundred yards on the Dalton Highway, we see running on the right site of our motorcoach an arrow and the callsign W1AW/KL7. To late for us to stop and turn back the motorcoach. Time for the Artic circle was gone.

Our regret is that the team of W1AW/KL7 expected guests coming just from south, from Fairbanks, and indicated just for them the station's location, finding few hundred yards south of the Arctic circle in the camping and have nothing about them at the Arctic circle in the parking .

We hoope to meet them next time [if next time will be exist for us] and wish you all the best.and my be the next location at Deadhorse at the Arctic Ocean.

88! de Nora, YO4AYL & 73! de Andrew, YO4AUP.

P.S. Please find attached some picture from artic circle made on 6<sup>th</sup> August 2008.
