#### Memorial YO7 VS 50 MHz

Consiliul Director al YO HD DX multumeste tuturor participantilor la concursul international "Memorial YO7VS 50 MHz" organizat de catre clubul nostru. Conditiiile meteo au fost destul de vitrege si de data asta (cel putin la noi), dar propagarea a fost destul buna la distanta medie ( cu cca. 20W si o antena verticala de la ASL 820 m -Baza de concurs Panorama Ghelari - am realizat relativ usor legaturi cu EA, I, G, OZ, F, 5B4, etc.). Logurile de concurs in format EDI se trimit la [yo2max@gmail.com](mailto:yo2max@gmail.com).

Pe [www.yohddx.ro](http://www.yohddx.ro) la sectiunea "Public Gallery" se pot vedea cateva poze si doua filmulete realizate cu aceasta ocazie de catre YO2UH.

Tot pe aceasta pagina exista evidenta logurilor primele actualizata zilnic de catre Razvan, YO2MAX, arbitrul si promotorul principal al concursului.

*Nou la Memorial YO7VS:* Pentru a stimula participarea statilor YO la concurs, incepand cu editia 2010, statile YO vor fi incluse in clasamentele generale ale categoriilor A si B, dar se va face si un **clasament separat** al acestora (categoria C, neoficiala), iar statile clasate pe primele trei locuri vor primi **diplome**. Deasemenea, intentionam sa acordam trei **premii suplimentare** prin tragere la sorti printre statile YO care trimite log de participare.

Inca odata multumiri celor care ne-au onorat cu prezenta.!

#### Ziua Telecomunicatiilor Fair Play UUS 2010

Concursul s-a desfasurat in data de 16 mai 2010, pe o vreme deosebit de rece (cca. 5 grade) cu ploi si rafale puternice de vant. Au participat 40 de stati, dintre care 30 au trimis log de concurs.

Logurile in format EDI au fost verificate de catre Razvan, YO2MAX cu programul de arbitraj, si s-a intocmit urmatorul clasament al concursului:
